

The Barnfields Way

MORE THAN JUST RIDING

At Barnfields, we believe riding is about far more than simply learning to trot, canter and jump. Our goal is to create confident riders, knowledgeable horse people and strong partnerships that last a lifetime.

WE TEACH
THE WHOLE RIDER,
FOR THE WELFARE
OF THE HORSE

RIDING IS NOT A RACE

Progress isn't measured by:

- ✗ How quickly you can canter
- ✗ How quickly you can jump
- ✗ How many lessons you've had
- ✗ Your age

Progress IS measured by:

- ✓ Confidence
- ✓ Balance
- ✓ Control
- ✓ Horsemanship
- ✓ Responsibility
- ✓ Horse Welfare Awareness
- ✓ Safety

- LEARNING TO RIDE ISN'T ALWAYS ABOUT GOING UP THE GEARS!**
- At every grade, we continue to work on:
- Position
 - Balance
 - Steering
 - Effective Aids
 - Flatwork
 - Horse Care
 - Confidence

For this reason, some lessons may not include trotting, cantering or jumping.

The best riders never stop practising the basics.
